

Taking Charge of the Unknown: Dementia Care 101

Telephone Seminars: Noon - 1:00pm

Ever wondered about Alzheimer's?

Do you understand and know how to respond to Dementia Related Behaviors?
How can you get finances in order when dealing with Dementia?

To get answers and resources, we invite you to take part in three one-hour telephone seminars on dementia care. This is a great opportunity for caregivers who aren't able to attend in-person educational opportunities due to their caregiving responsibilities and daily schedules. These free seminars offer practical information and support from dementia experts. There will also be time dedicated to Q&A.

September 20
